### **Parks Master Plan Being Updated**

**Westfield, IN** - The Westfield Parks and Recreation Department announced that they will be updating its five year Master Plan. The Master Planning process takes into consideration all aspects of the Town and incorporates a large amount of public input.

To ensure that the Parks Master Plan meets the needs of the community, staff has developed a Master Plan Survey and placed it on the Town's website, under the Parks and Recreation Department. The Town staff hopes that the survey results will help gauge the wants and desires of the citizens of Westfield as it relates to parks and trails.

"It is an essential to our planning process to get the opinions and ideas of the residents, says Curt Cooley, Westfield Parks and Recreation Director. "We want encourage residents to take the survey and lets us know their thoughts and views on the future of Westfield parks and trails," says Cooley.

To view the survey, log onto [www.westfield.in.gov](http://www.westfield.in.gov) and click on Parks & Recreation. If additional information is needed, please contact the Westfield Parks & Recreation Department at 317-896-5570.
